Even though your Rescue Phone Standard, CNT, or CRT was purchased in the nineties, we have a refurbishing program for those units also. If you have any questions or concerns, please e-mail or call.

REFURBISH RESCUE PHONE CONSOLE

\$999.00

(Cost of refurbishing includes a one-year warranty.)

Repair/replace damaged/defective or worn out components due to age. **Price covers repairs and refurbishing to console only**, which includes battery replacement, headset parts, electronic repairs and return ground shipment to your location. Price also includes repairs on command speaker and throw phone if they are repairable, these two items fit in the accessory side of the console. If they are damaged beyond repair, the cost for a new command speaker is \$200.00 and \$250.00 for a new throw phone. This \$999.00 fee does NOT include repairs to Accessory Case items, Throw Cases, or Wire Spools. Do NOT send Wire Spools, Throw Cases, or Accessory Cases without prior approval from Rescue Phone. Additional shipping fees will be accessed for those items.

This price includes shipping to your location. This is an interstate mail order item not subject to Maryland state sales tax. We accept government purchase orders, MasterCard, or Visa.
